## **LASER SHOOTING**

### **INDOORS OR OUTDOORS**

#### **OUTDOOR LASER SHOOTING**

Up to 5 people shoot an infrared beam at a clay launched from a conventional launcher using authentic deactivated guns. Several games can be played and a digital scoreboard keeps and displays the scores. This is a totally safe, environmentally friendly, competitive sport or just for fun. Ideal entertainments for fun days etc.

##### **Round 1– Skill shot**

All 5 guns fire at clay 1 and two points awarded for a successful hit with the first shot and 1 point is awarded for a hit with the second shot.

##### **Round 2—Rapid fire**

All 5 guns fire at the clay and the first to hit the clay gets 5 points, the second 4 points etc.

Round 3—each contestant takes it in turn to see how many targets he can hit as the targets randomly light up in quick succession .

#### **INDOOR LASER SHOOTING**

Indoor LASER SHOOTING the targets are hidden behind cam netting, they illuminate as programmed by the computer and the first to hit the target gets the point. This is an ideal attraction for games nights and country & western nights.

## **LONG BOW SHOOTING**

The **LONGBOW** was the national weapon of the English army between the 13th and 16th century. Showtime can provide the Long Bow experience at your next open day, country and western night or outdoor Medieval Knight. Your guest will be given basic instructions on how to shoot, once this has been mastered they can partake in a shoot out competition.
